Identification Number: C00373183

Reference: Year End Report (10/1/04 - 12/31/04)

Dear Ms. Bacon:

This letter is in reference to the above referenced matter and in reply to your letter dated May 5, 2005.

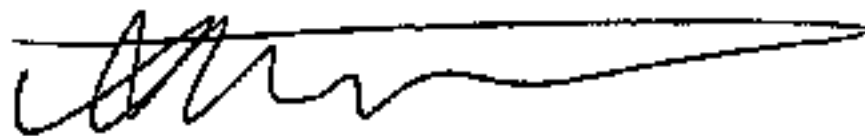

The discrepancy between the beginning cash balance of the above referenced report and the ending balance of the Termination report is attributed to using an older database on the computer used to prepare the report.

Upon a call placed to the Electronic Filing division of the FEC on May 13, 2005 and the technical support of Ms. Eliza, a switch was made to the correct database and amendments were made, with her help, to remedy the issue.

With respect to the second point you raise in your letter, the negative cash balance is actually \$323.28 based using the correct database. Having exercised every effort to reconcile the committee bank statements (copies of which you have from last year) against deposits slips and other records, I couldn't identify the source of such balance. Please advise as to what action should be taken in this case in order to take steps towards terminating the committee.

Thank you for your cooperation regarding this matter.
